Seminar

Congratulations on your decision to marry! It is very important to note that if you have a prior marriage that has not been dissolved through death or you have not received a Document of Freedom to Marry, you need to contact your local priest before registering for this seminar.

The issues facing couples that are entering a second marriage or convalidation are different or may be more complicated than those of a first marriage. The Diocese of Fargo recognizes this and therefore, we are offering a marriage preparation program geared towards those couples in special circumstances. This course will offer an opportunity for couples to examine their relationship more in depth and look more specifically at different themes.

Special circumstances can include those that are divorced, seeking convalidation, bringing children into the marriage, or other unique situations.

Even so husbands should love their wives as their own bodies. He who loves his wife loves himself. For no man ever hates his own flesh, but nourishes and cherishes it, as Christ does the church, because we are members of his body. "For this reason a man shall leave his father and mother and be joined to his wife, and the two shall become one flesh." This mystery is a profound one, and I am saying that it refers to Christ and the church; however, let each one of you love his wife as himself, and let the wife see that she respects her husband.

Ephesians 5:28-33
